

# Safe Sleep Referral Program

**Phoenix Children's Hospital is a Cribs for Kids partner providing safe sleep education and safe sleep environments to families in Arizona.**

Every year in the United States, more than 3,500 infant deaths occur due to accidental or undetermined causes during sleep. The number of Sudden Unexpected Infant Deaths (SUID) has increased in the state of Arizona. If your organization has identified a parent in need of a Pack 'n Play, please click the button below to fill out the referral form.

**To refer a parent they must meet the following qualifications:**

- Family must be considered financially in need.
- Family does not currently own a crib or Pack 'n Play.
- Expecting mother must be in her third trimester of pregnancy.
- Infant must be less than 6 months of age and weigh under 20 lbs.
- Participate in a 1 hour Safe Sleep training to receive a free Pack 'n Play.
